VELUX SKYLIGHT SYSTEM

Skylight + Shade + Remote

Our Best Skylight is now even better.

45% More Energy Efficient*

Shades improve year-round comfort: a **45% improvement in U-value** helps keep your home warmer in the winter, and lets in **19% less solar heat gain** helping to keep your home cooler in the summer.

Comfort-Driven Light Control

Brighten a space or soften sunlight—shades create the right atmosphere any time of day.

One-Touch Operation

Easily adjust light and comfort from anywhere in the room with a simple, handheld remote.

*Up to 45% depending on skylight model and size.

VELUX SKYLIGHT SYSTEM
